With this second edition, the authors have been successful in updating us with state-of-the-art methods and techniques in multisensor data fusion.
Sat, 17 Nov 2018 04:28:00 GMT Hall David L, McMullen Sonya AH: Mathematical Techniques ... - maturation of data fusion technology provide a basis for utilization of data fusion in everyday applications. This book is intended to be a comprehensive resource for data fusion system designers and researchers, providing information on terminology, models, algorithms, systems engineering issues, and examples of applications.
